FOREWORD

We, the 1962 MONROYAN staff, hope that this annual will become one of your most prized possessions and that you may look back over the faded snapshots and remember the good old days at NHS.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '62 we shall be content, knowing that we have done the thing we were called upon to do. We feel that your satisfaction with this volume is our compensation, and with this thought we present to you the 1961-1962 MONROYAN.

ACKNOWLEDGMENTS

There are several people and departments whose cooperation and assistance have been of great benefit to this book. Staff members, students, faculty, and administrators—all contributed to the success of the Monroyan. The advertisers contributed their financial support which helped make this book possible. To the Louisiana Department of Commerce and Industry, to the Louisiana Forestry Photo Service, and to Bob Sale's Studio and Camera Center we owe our gratitude for photographs. Last, but not least, we say thanks to our engravers and publishers for their ever-enduring patience.

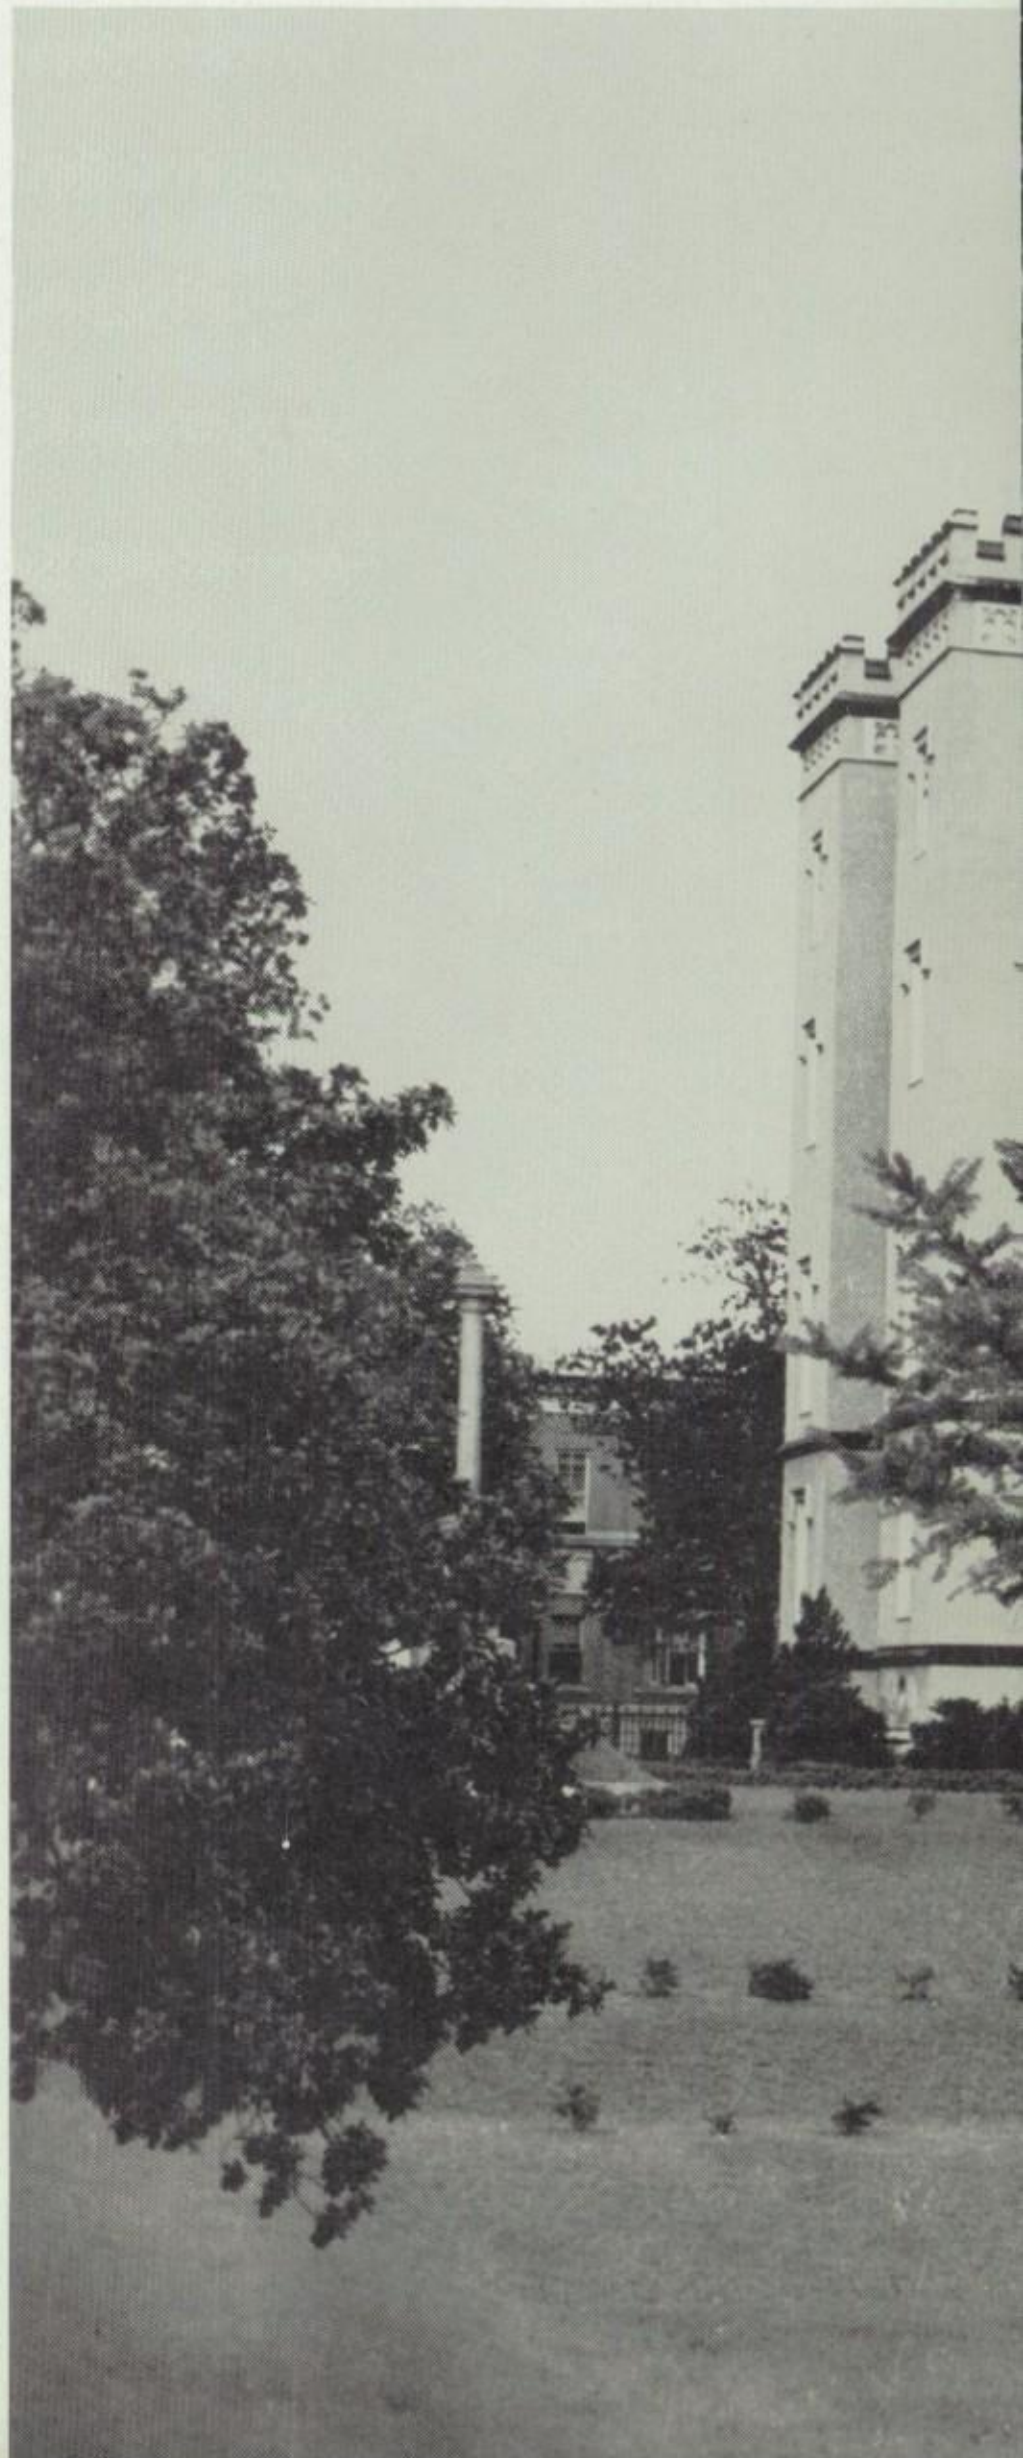

A SALUTE TO LOUISIANA YESTERDAY, TODAY, AND TOMORROW

LOUISIANA LOOKS

With a history as colorful as her soil is rich, Louisiana, the nation's coquette, fascinates all imaginative minds. Frenchmen and Spaniards, Creoles and carpetbaggers—all have had a hand in shaping her destiny.

Various tribes of Indians were the first inhabitants. History records De Soto as the first white man to set foot on Louisiana soil, though it was left to the French to explore and colonize the territory. Buffeted about through political treaties, Louisiana was next under Spanish rule, and then back under French. They soon turned her over to the United States, and the Territory of Orleans became a state on April 30, 1812.

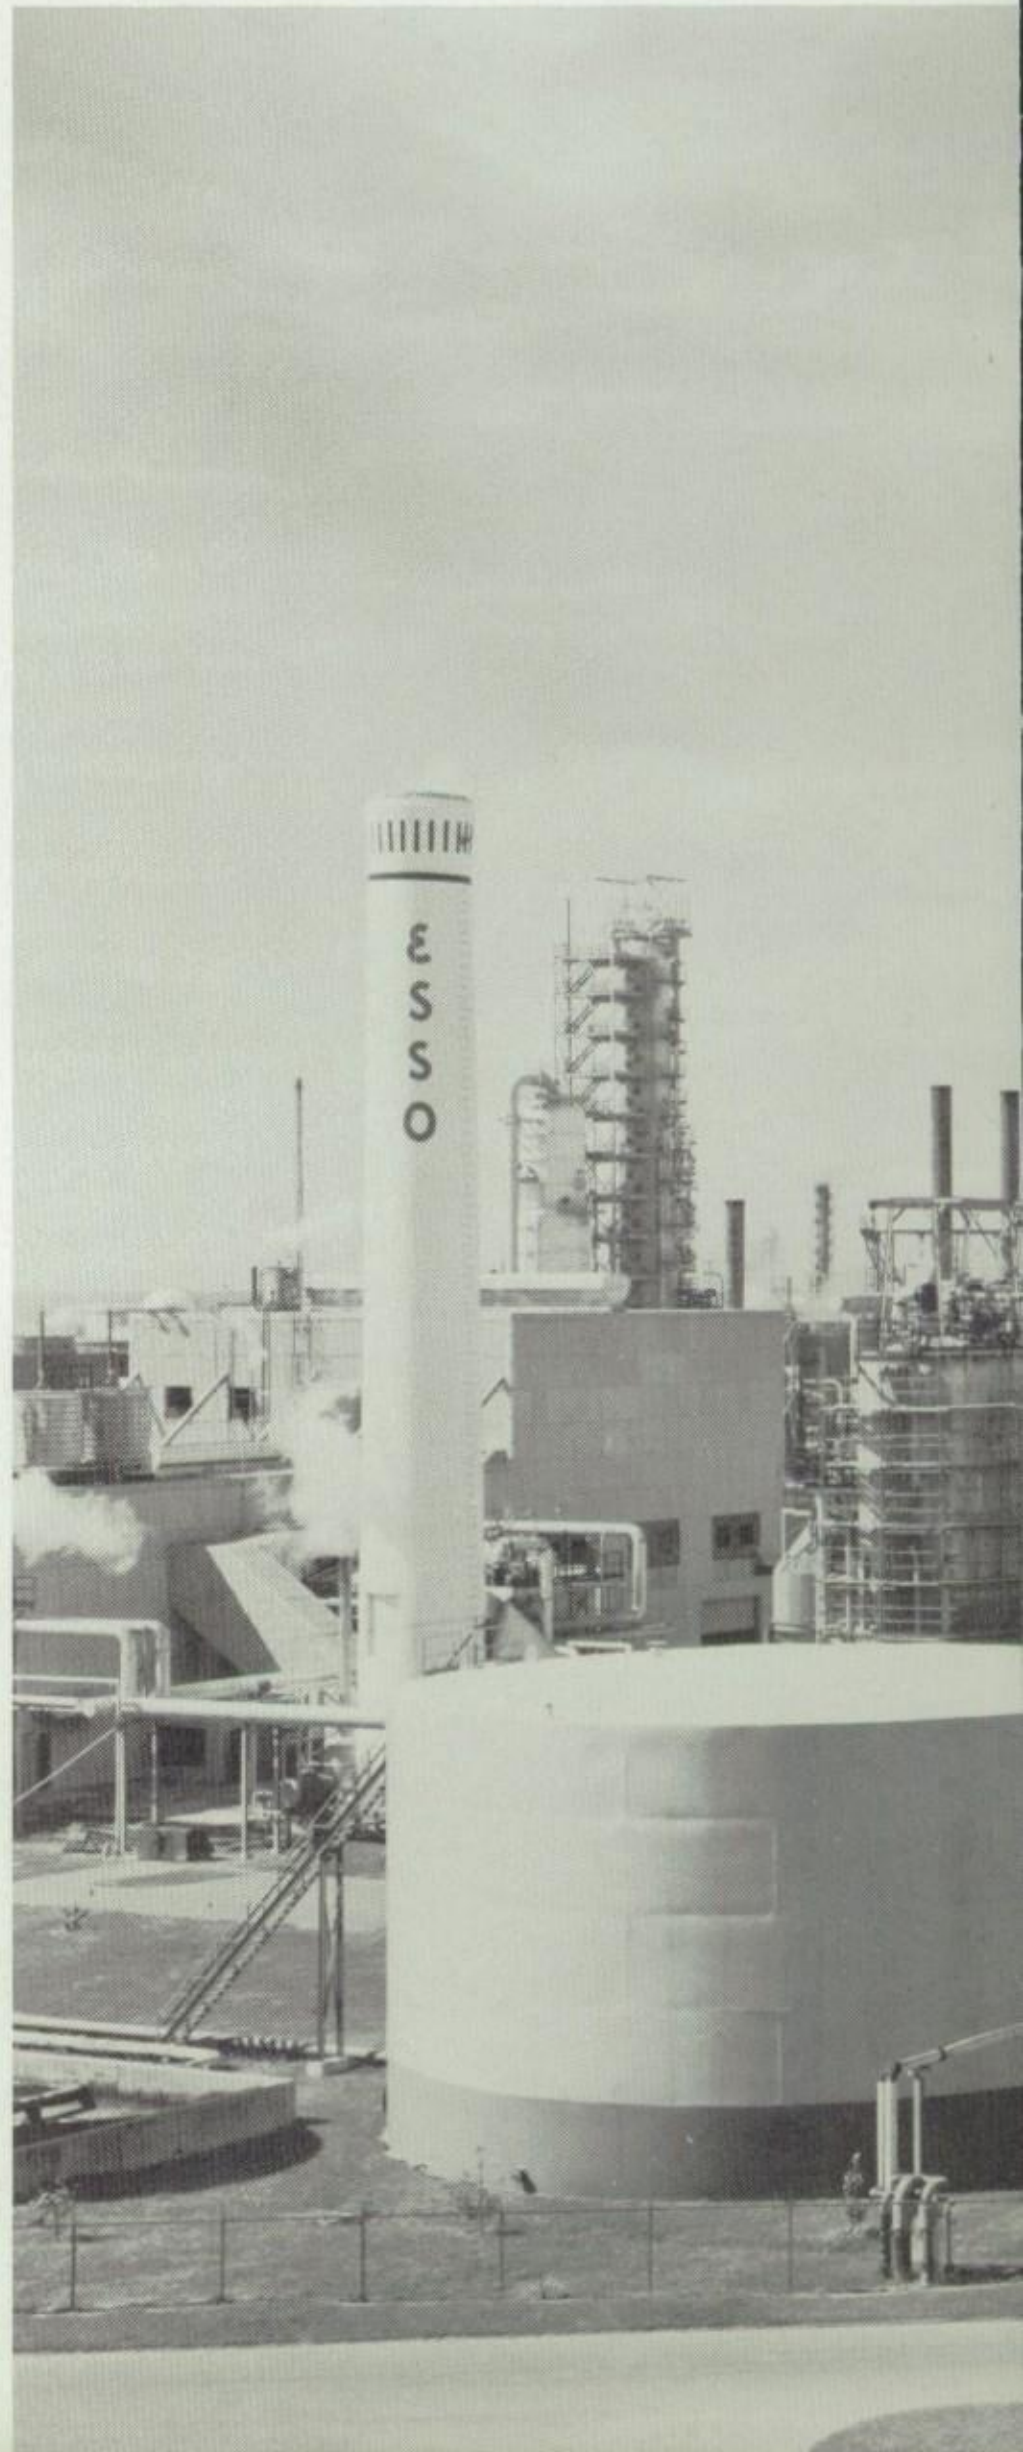

TO THE PAST — YESTERDAY

LOUISIANA LOOKS

Smoke billows from c h i m n e y s where once only cotton fields stood; the whir of machines is heard where once only the buzzing of bees a n d crickets disturbed the calm; and free men ride to work where once slaves sweated under the broiling sun. This is the New South—young and eager in its bid for industrial competition with its sister regions. And Louisiana is keeping pace.

The Esso Standard Oil Refinery in Louisiana is one of the largest a n d most complete in the world, while Kaiser's plant is the largest primary aluminum plant in the c o u n t r y. Louisiana is the second ranking producer of carbon black in the nation, and leads in the production of paper-b o a r d and containerboard. Along with numerous o t h e r industries, Louisiana is making its greatest gains in this field.

AT THE PRESENT — TODAY

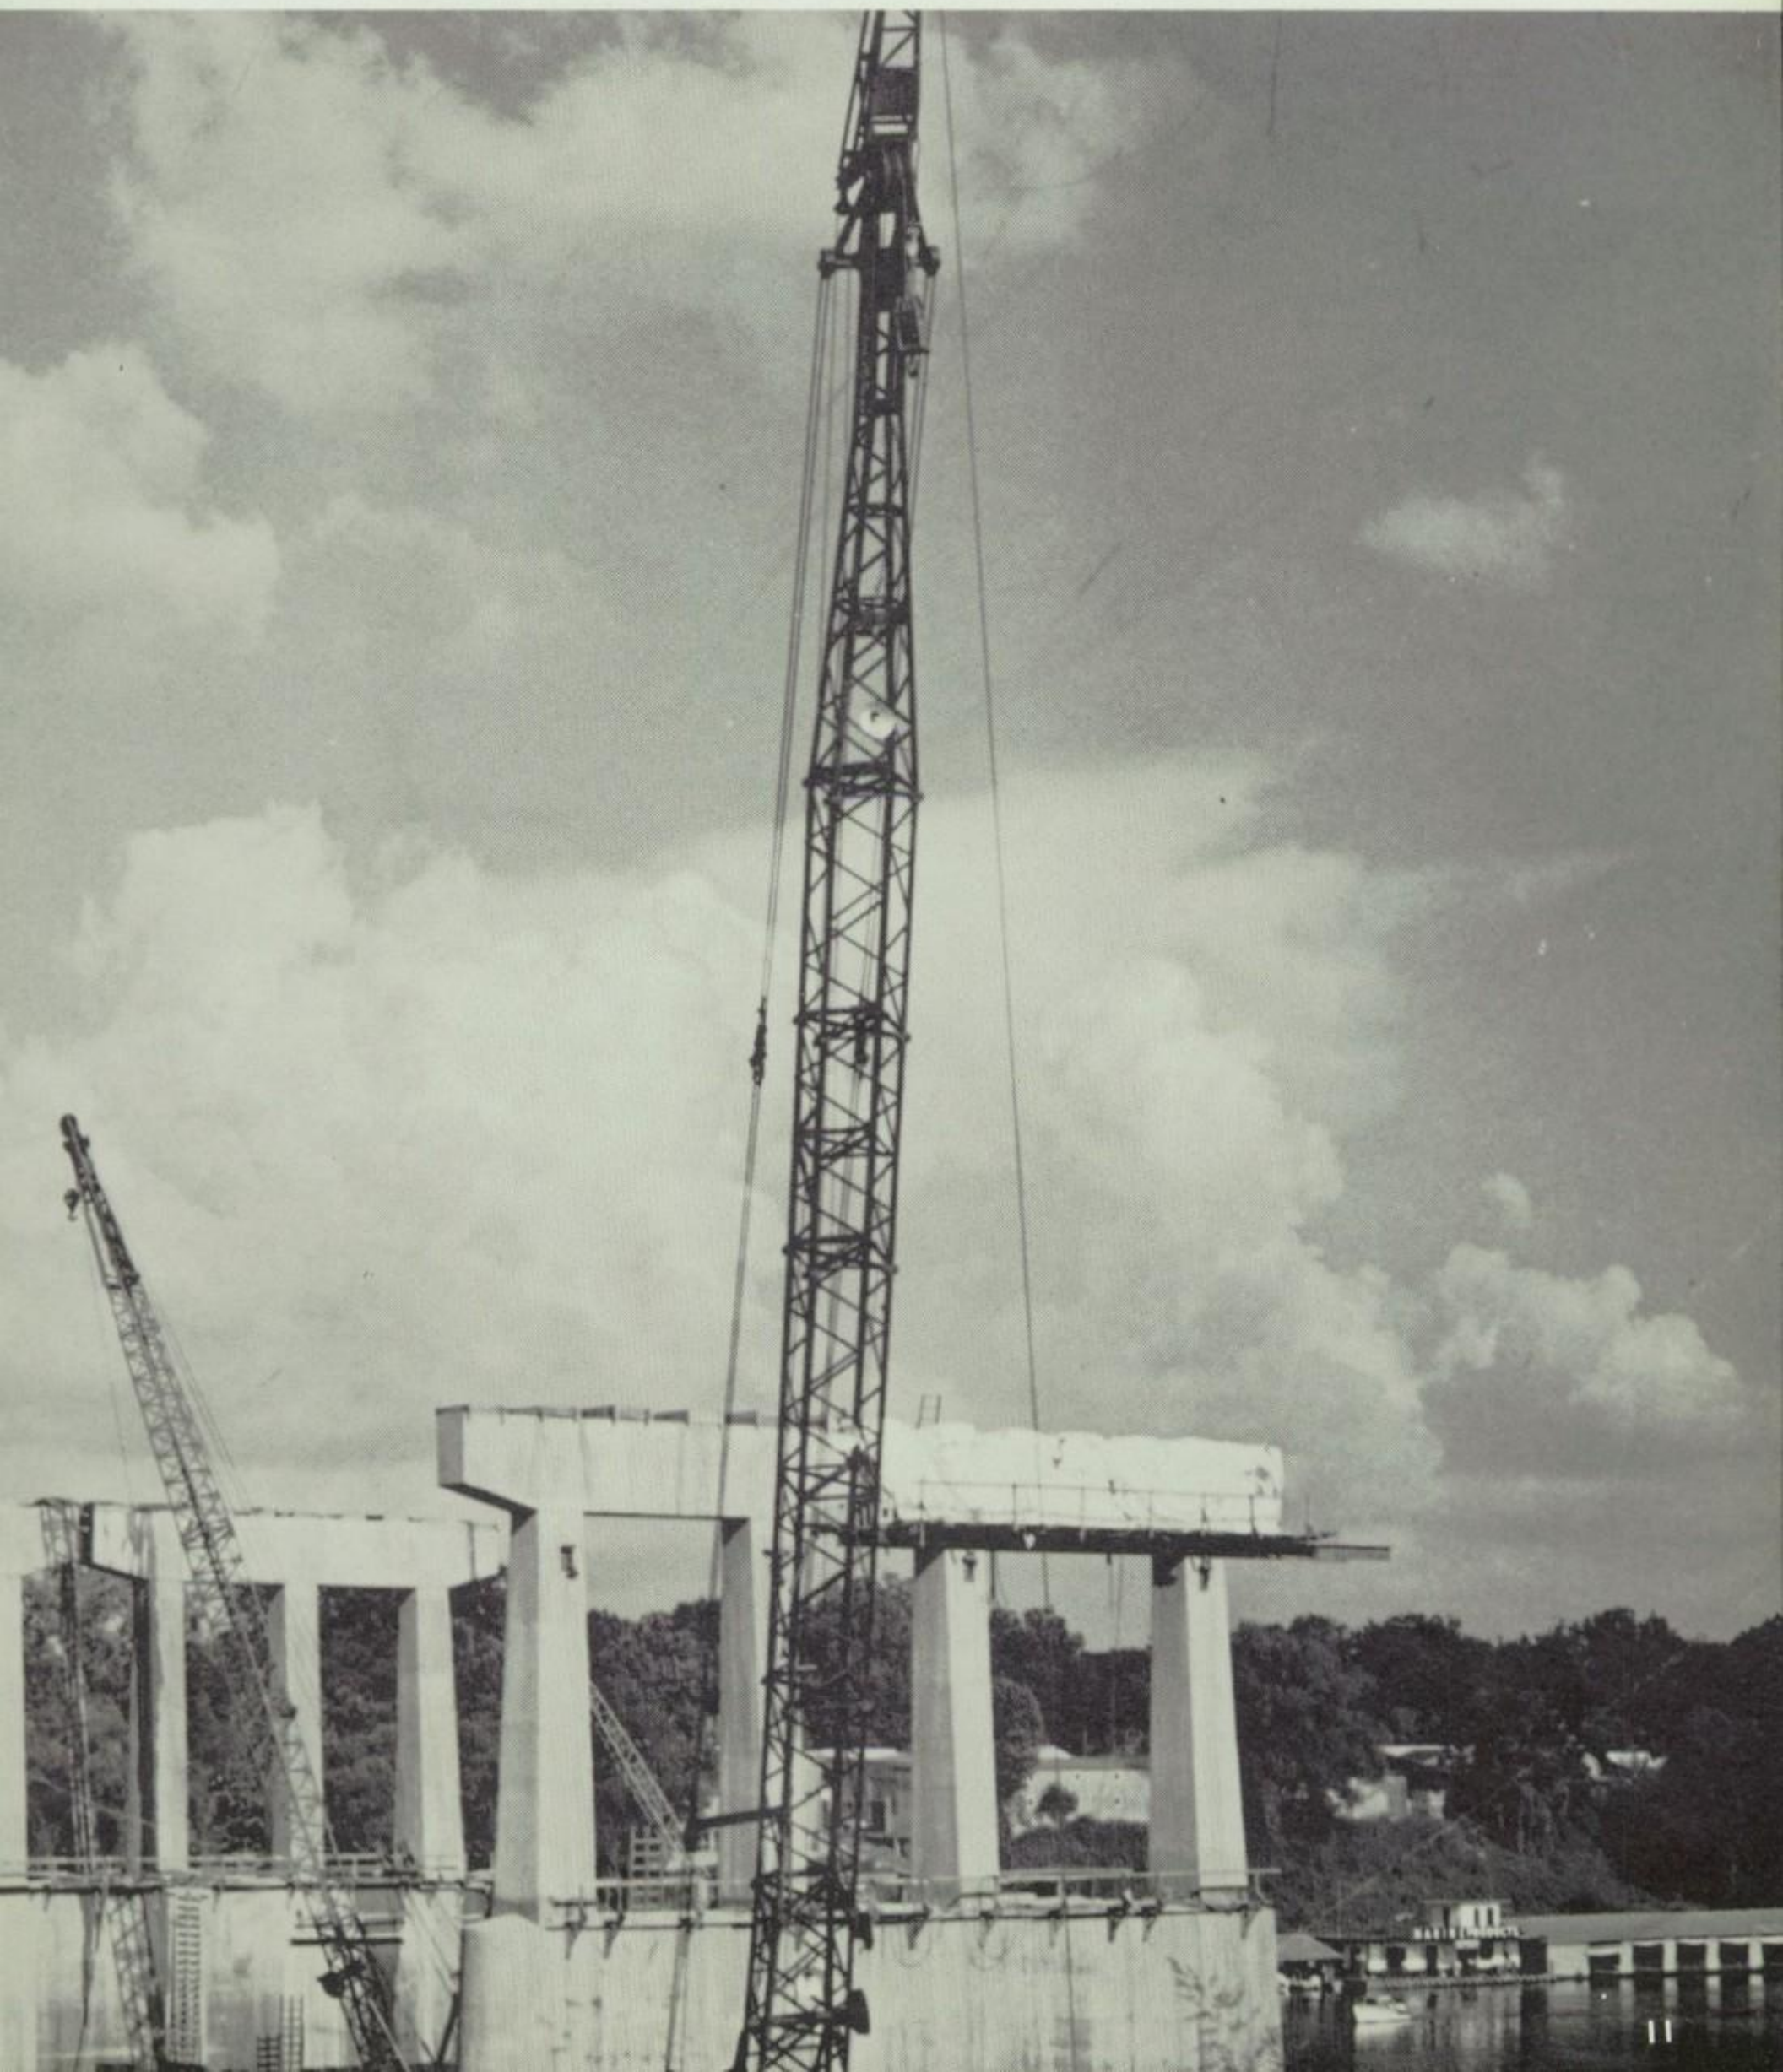

LOUISIANA LOOKS TO

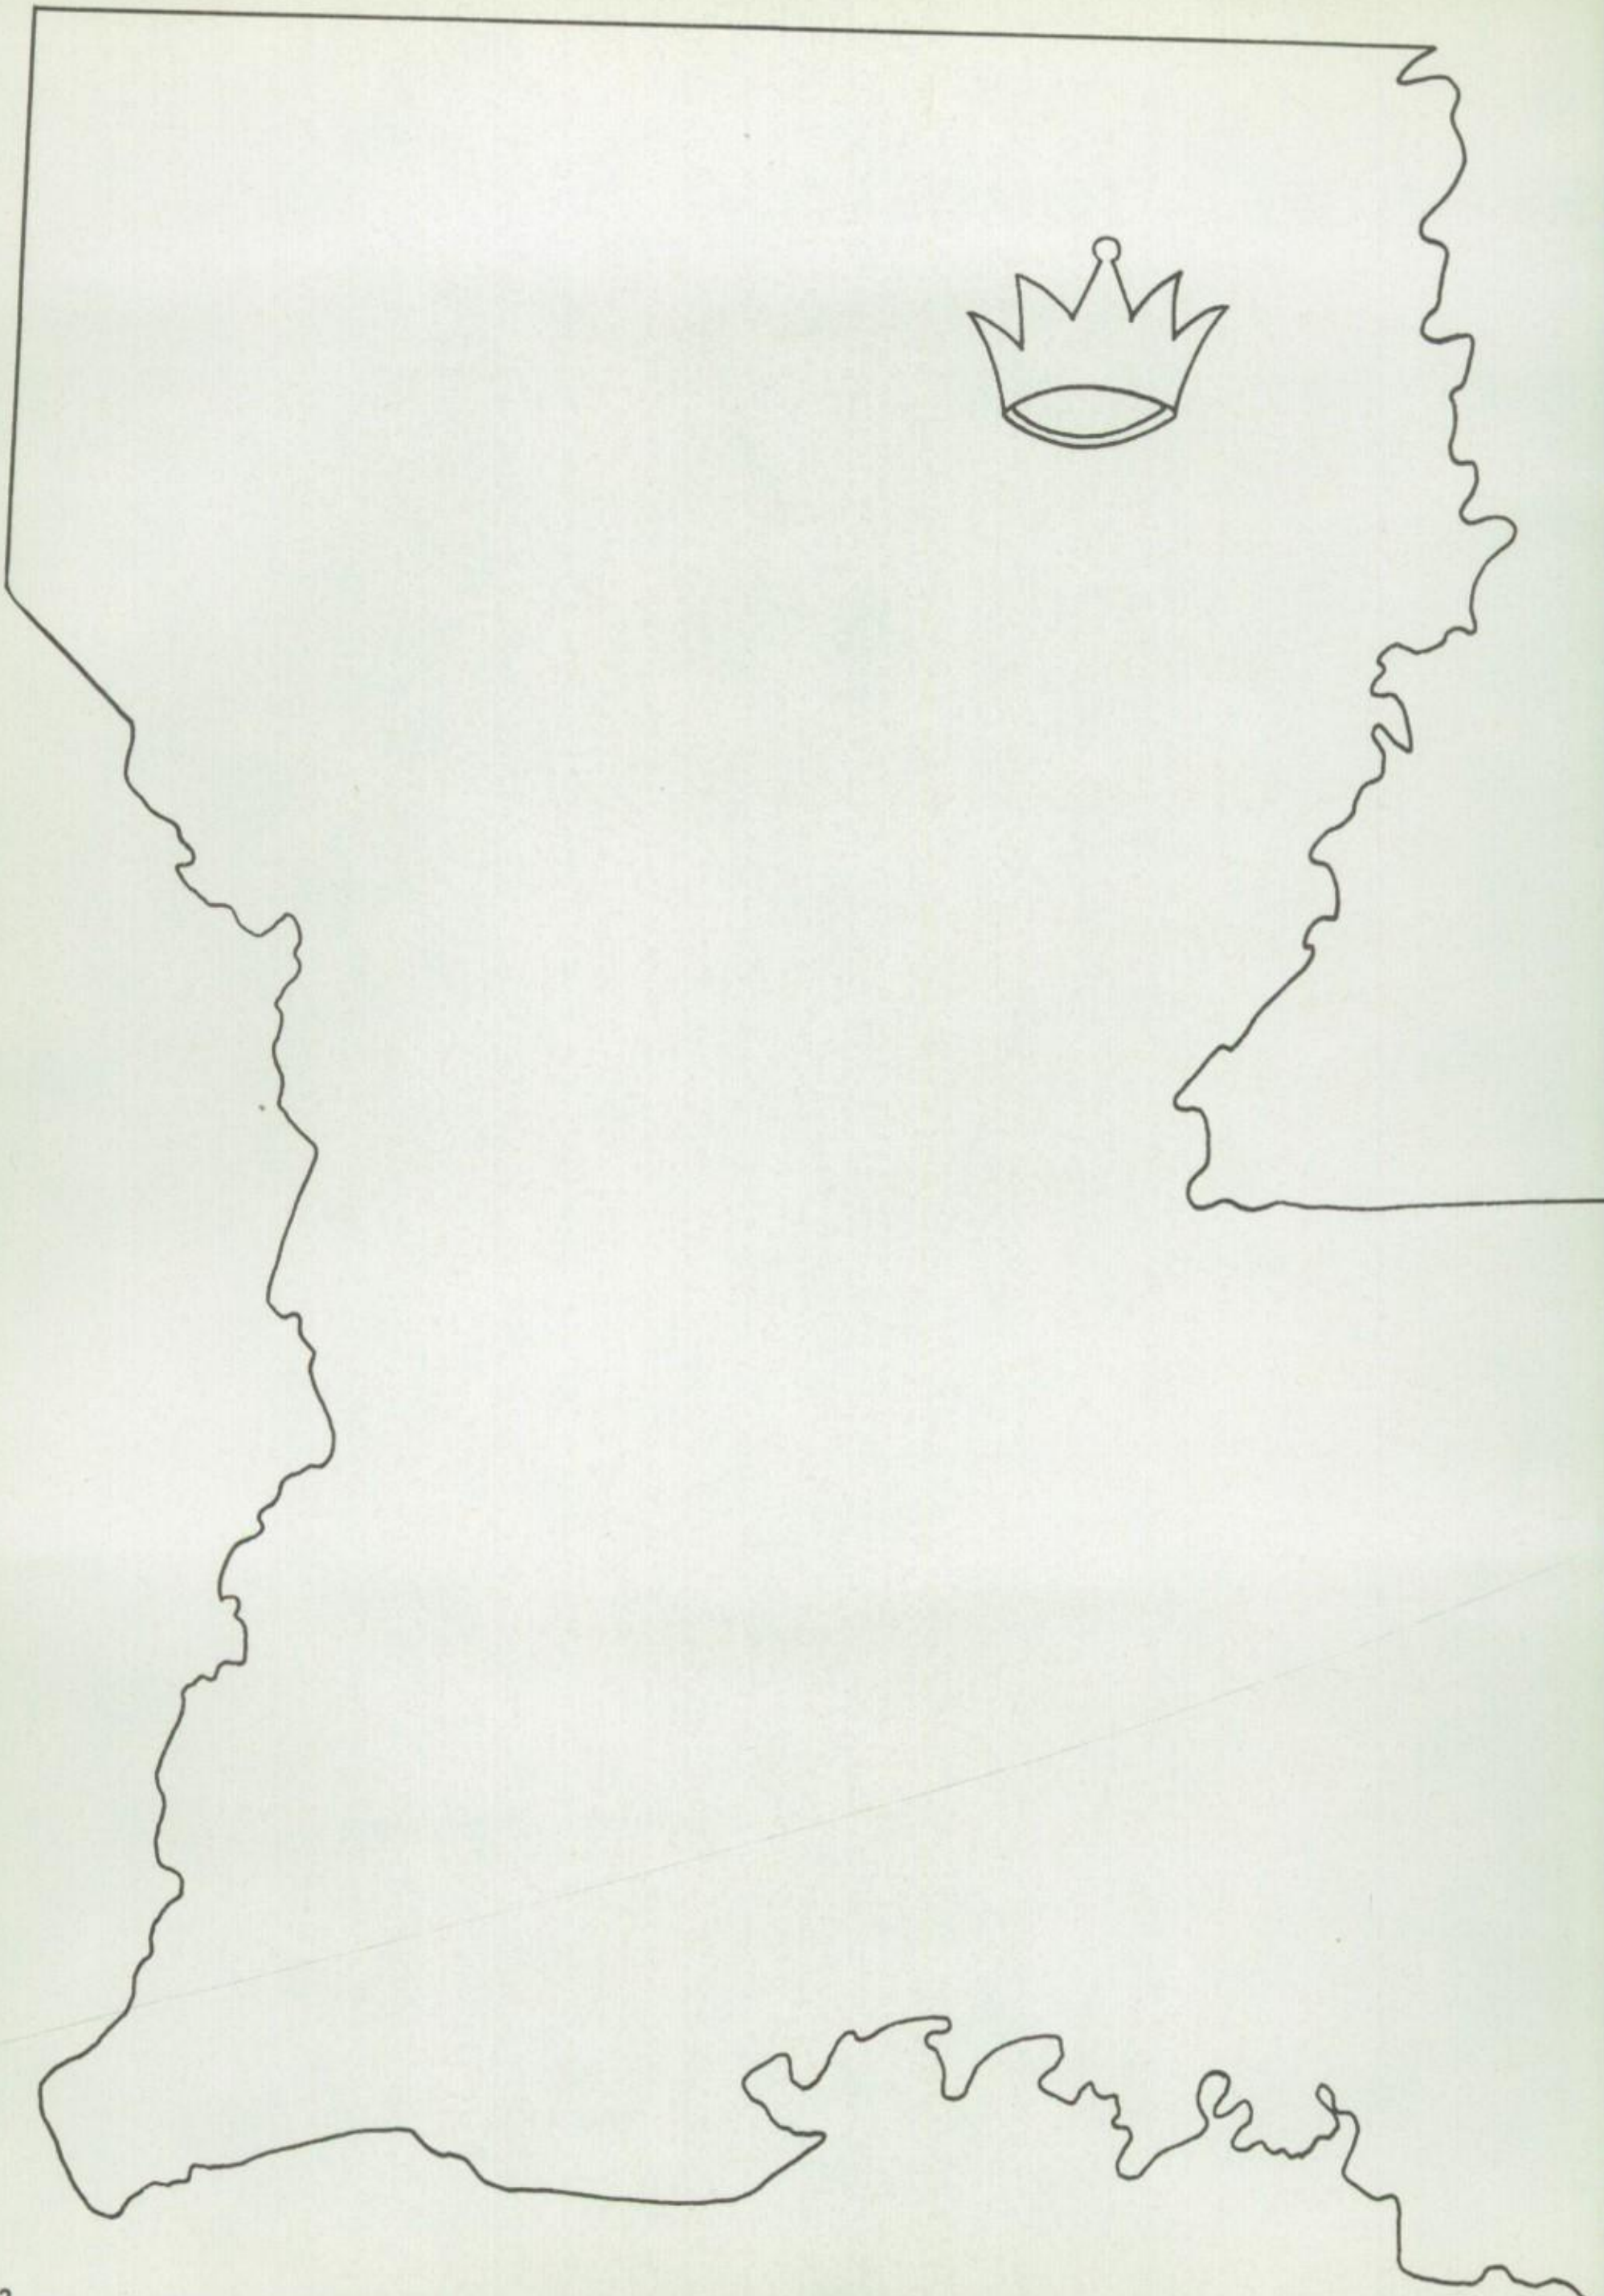

From an unbroken wilderness, through a great many growing pains, Louisiana has emerged as a modern and efficient organization, capable of meeting the ever-increasing demands of today's world. Progressive leaders have inaugurated many programs for improvements.

One of the major phases of expansion has been in highway construction. Numerous hospitals with the most modern facilities have been and are being built, while efficient brick and steel buildings are springing up everywhere to replace "the little red school houses." As industries move in at a rapid rate, new factories and commercial buildings appear on continually changing skylines. Motivated by a driving spirit, Louisiana is expanding to meet the needs of her citizens.

MISS KATHRYN DOUCIERE: B.S., M.Ed., Louisiana State University. Guidance Counselor.

Many varied services are offered by the guidance unit such as testing of students for aptitude, IQ, college entrance, etc., and counseling for various problems all the way from vocational choices to different kinds of school problems.

"College, career, or what? . . ." That is the question confronting Rosemary Upshaw and Suzanne Messina.

LIBRARY

Miss Genevra Washburn

Neville High School operates a modern, well-equipped library for the use of all students, both for research and for personal pleasure reading. Each year more books are acquired to keep up with the advancements in subject matter. All of the basic reference books such as encyclopedias, dictionaries, almanacs, etc., can be found in the library.

ARTS AND

Art is an elective and is open to any student. The value of art is experimentation, coordination, and originality. Various types of drawings, paintings, etc., become student projects throughout the year.

For students who intend to pursue engineering and architecture and other scientific fields, mechanical drawing is offered. Woodworking and ceramics offer the student opportunities to construct objects with his own hands.

ENG

Neville High School offers four years of English, three of which are required. Class procedures vary according to the needs of the students, but in general, the year's work centers around the language arts, reading, writing, speaking, and listening. At Neville particular emphasis is placed on writing. However, the goal of the department is to send students out from a high school career, able to think constructively; speak those thoughts in a forceful and coherent manner; and if the need arises, write about them.

SC

Neville High School offers a well-rounded science program with courses in physics, biology, chemistry, and general science. Biology, the study of human life, is usually taken by freshmen and sophomores as a beginning science course. General science is popular for not only the student who wishes to achieve only a minor in science but also the student who is preparing to study chemistry and physics. The course goals in physics are to enable the student to make high grades in any college entrance test in the subject and to awaken a permanent interest in science. Chemistry is offered to prepare the student for college work in this field, and since 1957 a course in advanced chemistry has been offered.

MR. L. D. ALLEN: B.S., Louisiana Polytechnic Institute; M.S., Louisiana State University. Physics and General Science.

MR. OLIVER W. HARGROVE, B.S., M.Ed., Louisiana State University; M.S., Oklahoma State University. Advanced Chemistry.

To test principles learned in the lecture room, students perform an experiment in Advanced Chemistry class.

Mrs. Daisy H. Daniels

Mrs. Madge S. Wilson

All Home Economics courses are taken by girls at Neville with the exception of Family Living which has several boys enrolled in the class. Home Economics can be divided into three areas: family living, cooking, and sewing. Students are given the opportunity to learn the many phases of operating a home, its management, its decoration, its cleaning and the like. They are taught the latest methods of economy and conservation, plus general techniques of performing ordinary home tasks better. Various practical problems are discussed and solved along with practical laboratory work. Actually, lab in the kitchen, dining room, living room and sewing room constitute a major part of the home ec. courses.

Mrs. Bernice Hickman

Miss Marianna Johnson

The business education department of Neville High School offers courses which appeal not only to the student who plans to pursue a study in this field in college but also to those who plan to go directly into business. Bookkeeping is a basic foundation for future study in business administration and is open to only juniors and seniors. Typing is taken by majors in business and by those who will need the skill for college work in every field.

Presidents tour foreign lands; missionaries explore remote islands. Throughout the world people are constantly coming into contact with each other. What one factor is the key to their increasing harmony? The knowledge of foreign languages. Neville offers three foreign languages: Spanish, French, and Latin. The students concentrate on gaining skills in writing, speaking, and reading the language they are studying. In addition, emphasis on the cultural and historical elements of each of the three civilizations increases the students understanding of the language he is studying.

FOREIGN

Danny Gremillion listens to a tape in the French lab.

MATICS

Mathematics at Neville meets the needs of all the students because this program offers General and Senior Math, Algebra I and II, Plane Geometry, and Advanced Mathematics. Neville offers the student who intends to pursue such courses as engineering, architecture, chemistry, physics, and other general scientific subjects every opportunity to fully prepare himself for college so far as his math requirements are concerned.

SOCIAL

Social studies classes are the scenes of battles refought by classroom generals ranging from the Peloponnesian War, Crusades and the Hundred Years War to the action during World War II. The histories of the world, and the United States take on new meaning and excitement with the addition of films, maps, newspapers, magazines, and projects. These studies of history help us to understand our own complex world in the light of the past.

Students of World History study history of all nations and peoples.

Mr. Jerry Lee

MR. JERRY LEE: B.A., Northeast Louisiana State College; M.A., Harding College. Speech I and II, World History.

SPEECH

Neville High School offers two courses for the speech student. Speech I consists of general fundamentals such as phonetics, pronunciation, speech preparation, oral discussion, and the like. Speech II is primarily concerned with debate and discussion; it emphasizes the proper debate procedures, manner of gathering materials, preparation of briefs, formulation of material into organized debate topics, and actual practice.

Mr. Lee gives Bill Trice pointers in making an effective oral report.

IN FORMATION

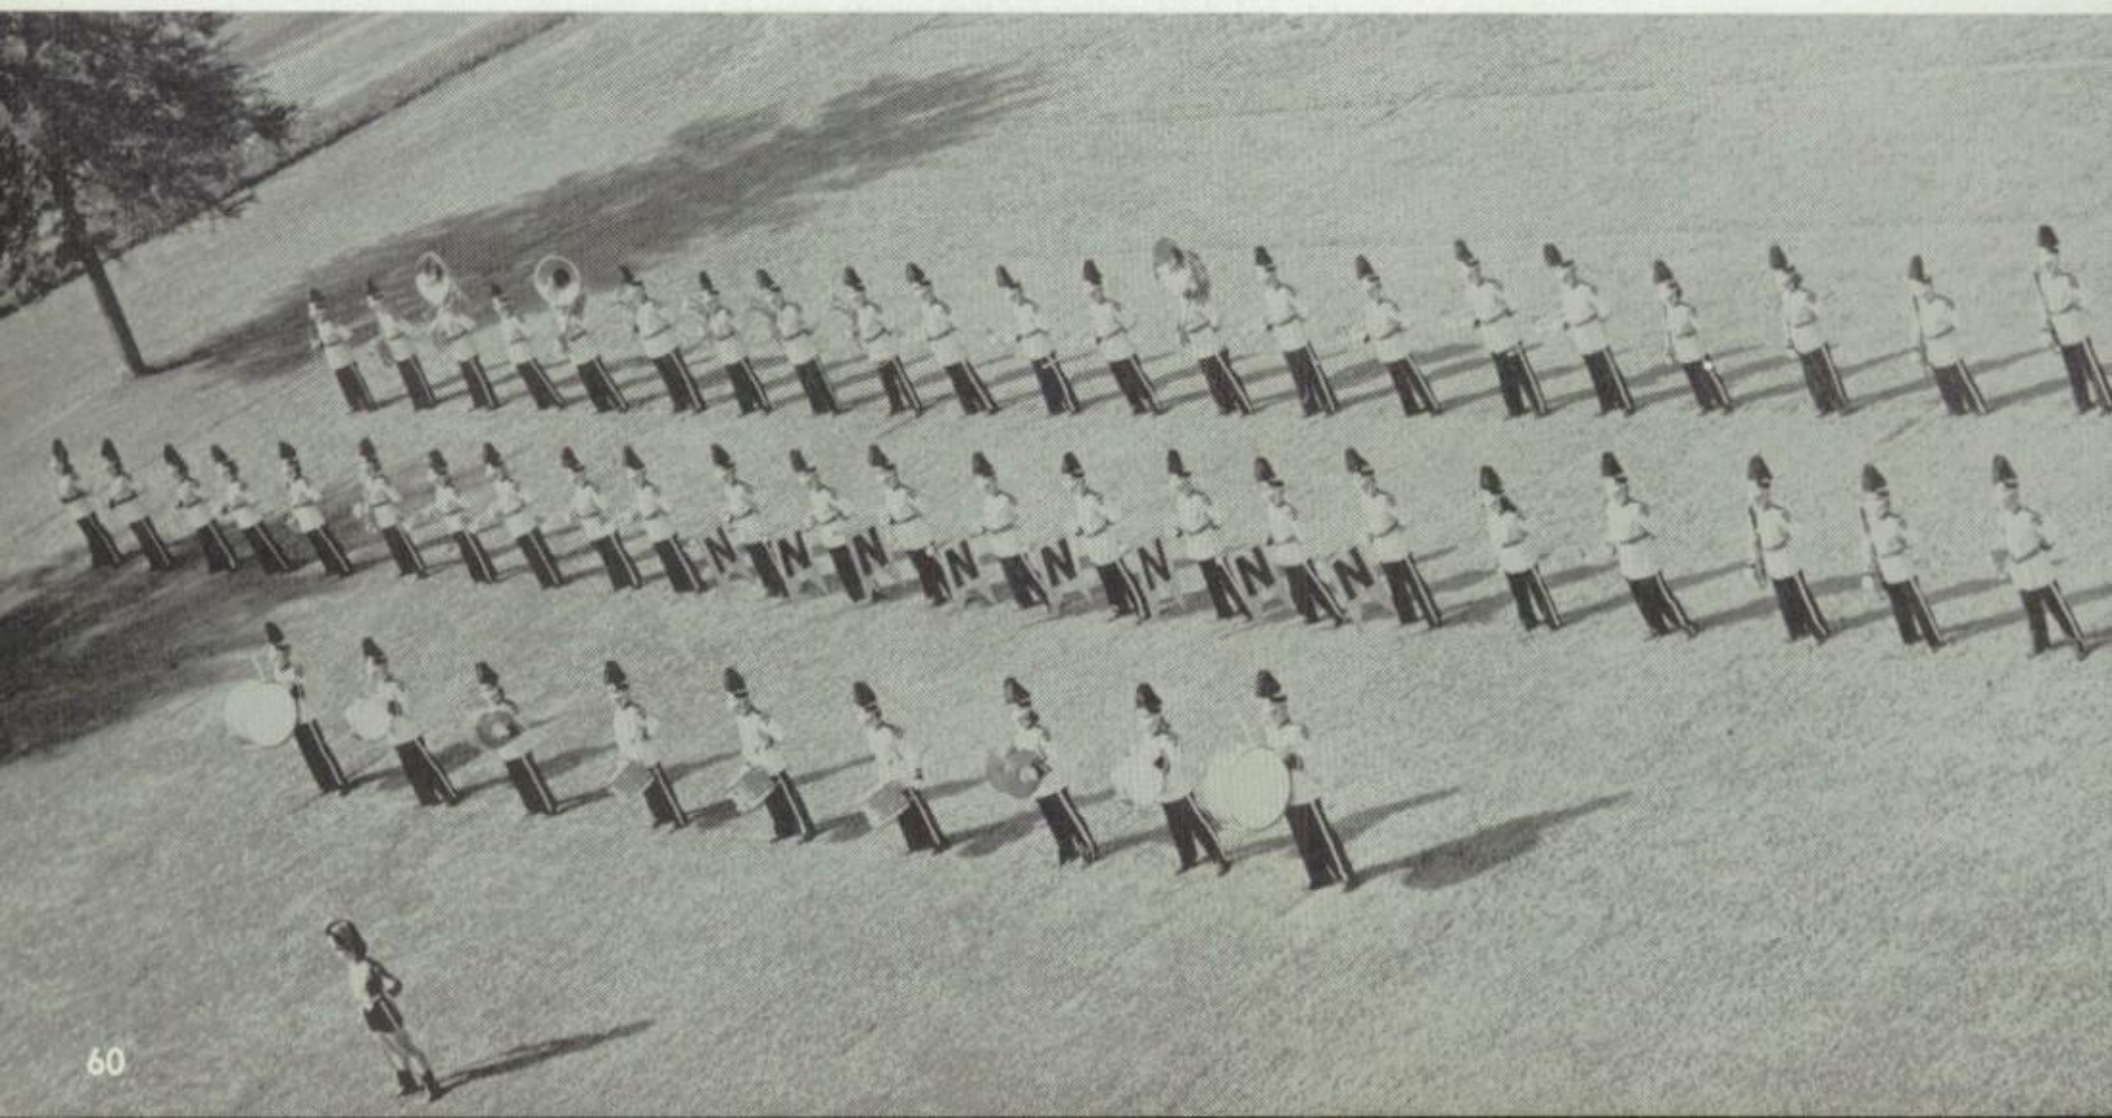

NEVILLE HIGH SCHOOL BAND

The Neville High School band is organized for the main purpose of developing the musician-ship, citizenship, and character of the individual in a well-disciplined organization. The band projects during the year include concerts, a district contest, and a state contest. The band also marches in parades and plays at football games and pep rallies.

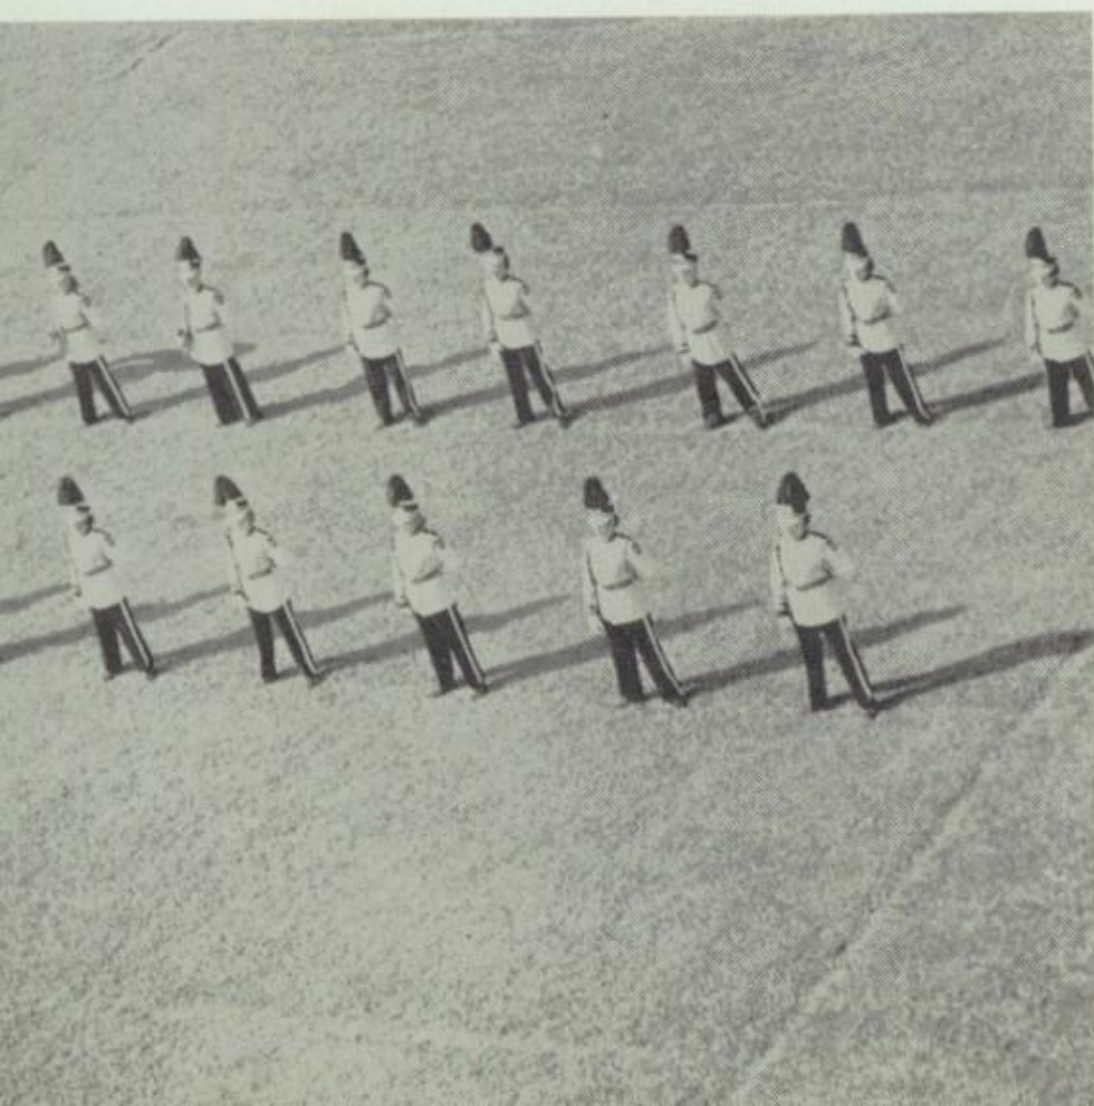

This is a view of the band marching in the 1961 Homecoming Parade.

The Neville band is composed of Senior, Junior, Sophomore, and Freshman students who have met high standards of performance on their instrument by playing an audition at the beginning of the school year. Open to all students, the program includes classes for beginning, intermediate, and advanced students.

SIGMA SIGMA SOCIETY

Sigma Sigma Honorary Scholarship Society was founded in 1914 largely through the influence of Ernest L. Neville, whose purpose it was to bring together each year the high scholarship students of the Senior Class. The Society has continued, uninterrupted, to the present day, and presently, it is the only scholarship or honor society at Neville. The charter members of Sigma Sigma were Edwin Marks, Alston Prophet, Virginia Russell, Emma Smith, Beatrice Callman, and William Wunsch, all of the class of 1914. In June of 1921, a special meeting was held to officially organize Sigma Sigma. Wunsch drew up the ritual and Miss Dorothy Schulze designed the pin and emblem. The society thus claimed all Monroe City High School students who had performed three years of work at the school, making a B average (90%) or better in all work and no failures (in semester work.) At the end of three years of work at the City High school a student became eligible for membership. The Sigma Sigma pin and emblem is in the general shape of a cross. The emblem of the crusaders forms the background and is of gold. The face of the pin is jet enamel in which is embedded a single gold star at the top of the cross—the Star of David—and three gold links at the base. On the two arms are gold Sigmas. In the center of the cross is a Grecian lamp of learning, engraved in surface gold. The distribution of these pins was discontinued during World War II when they could not be obtained. The practice of giving Sigma Sigma pins to members has not been renewed to this day. Also, the requirements are different now. They are that a student must have a B (90%) average or better in three-fourths of his subjects and no failures in semester work for membership. The requirement of doing three or more years of work at the City High School for membership in Sigma Sigma has also been dropped. Today, the primary recognition of Sigma Sigma members is the printing of the names in the graduation program and the reading of them during the graduation ceremonies. Sigma Sigma will always remain a lasting symbol of Superior Scholarship at Neville High School.

NEVILLE 12 WEST MONROE 6

DON SAGET
Quarterback

Neville halfback Jimmy Howard took a long over-the-shoulder pass from quarterback Don Saget for 70 yards and a last ditch touchdown that nipped West Monroe 12-6. A standing room only crowd, jammed into Tiger stadium, saw the junior signal caller fade back from his 30 with only 30 seconds remaining on the scoreclock, spot Howard in the open and let fly with a long one. Howard took the ball around the Rebel 40 and dashed to pay dirt. Robert Payne was rough on West Monroe all night. Tackles John Segars and Bob Duncan, along with end Herschel Walker stood out for Neville in the line. Statistically, Neville had a slight edge, gaining 234 yards to 147 for the Rebels.

NEVILLE 12 BASTROP 7

BUNZY BRYANT
End

In a renewal of the grid rivalry between Neville and Bastrop, the Tigers dined on Triple-A servings for the second time in defeating the Rams 12-7. Neville got in a quick touchdown early in the game when quarterback Jerry Jones climaxed a steady drive with a plunge from one yard out, and it looked like Neville might be on its way to a rout. But the Rams made it an even game, and it was anybody's game until the finish. Jimmy Howard delivered the Bengal's victory clincher in the fourth quarter also on a plunge through the middle from one yard out. Neville amassed 13 first downs against 11 for Bastrop. The Tigers rushed for 176 yards to 108 for Bastrop. Neville completed one of two passes for seven yards, and Bastrop completed one of three for only four yards.

The Tigers got their district campaign off to a successful start as they crushed the Golden Tornadoes from Haynesville 53-6. The Tigers actually got off to a slow start and were behind 6-0 late in the first quarter, but suddenly came to life and by halftime were coasting along with a 27-6 lead. Neville was forced to punt only once. Touchdowns by Jimmy Howard, Jerry Jones, Bill Yerger, Sam Walker, Tom Sparks, and Jerry Ritchey ran up the score. After making five consecutive extra points, Pete Terzolas missed on the last one. Neville had to be satisfied with just 53 points instead of 54.

The unbeaten Tigers used everything on the bench to defeat the Jena Giants 44-0. Five Tigers scored with Robert Charles Payne leading with two touchdowns. The Tigers picked up 244 yards rushing and 79 passing, while holding Jena to 100 on the ground and 23 in the air. Neville marched 89 yards in three plays to score the first time they had the ball. Jerry Jones was the first to cross the Giant goal line. Tigers who followed him were Payne, Sam Walker, Kurt Guelzow, and Herschel Walker, and Robert Goorley.

ROBERT CHARLES PAYNE
Halfback
All District

The Neville Tigers rammed across three quick touchdowns in the first quarter and coasted to a 34-6 victory over the Jonesboro-Hodge Tigers. It was the second district 2-AA victory for Neville's top-ranked machine in Louisiana double-A ball, and only Ruston remained to block the Tigers' chance to reclaim the district crown. It was the fifth straight victory for the Tigers. Mixing passes and running plays with a fumble recovery and a pass interception to total the score, the Tigers managed touchdowns by Jerry Jones, Herschel Walker, Mike Wilson. Jimmy Howard successfully converted on four extra point tries. The Bengals from Monroe led in first downs, 11 to 8, and rushed 227 yards against 129 for Jonesboro-Hodge.

The fast and furious Tigers successfully defended their district 2-AA title by completely routing arch rival Ruston 41-0. Before the Bearcats could settle the dust, the Tigers had scored four touchdowns in the first quarter. Halfback Robert Payne led Neville's scoring with two touchdowns, while four other players cashed in on trips across the goal line. Fullback Ralph Roberts and halfbacks Mike Wilson, Jimmy Howard, and Jimmy Gilley also scored. Howard also toed five of six extra point attempts. Nick White, Herschel Walker, John Segars, and Tom Sparks stood out in the line. Neville led in first downs 10 to 4 and in yards rushing 263 to 120.

GARY PAPPAS

NEVILLE 13 TALLULAH 0

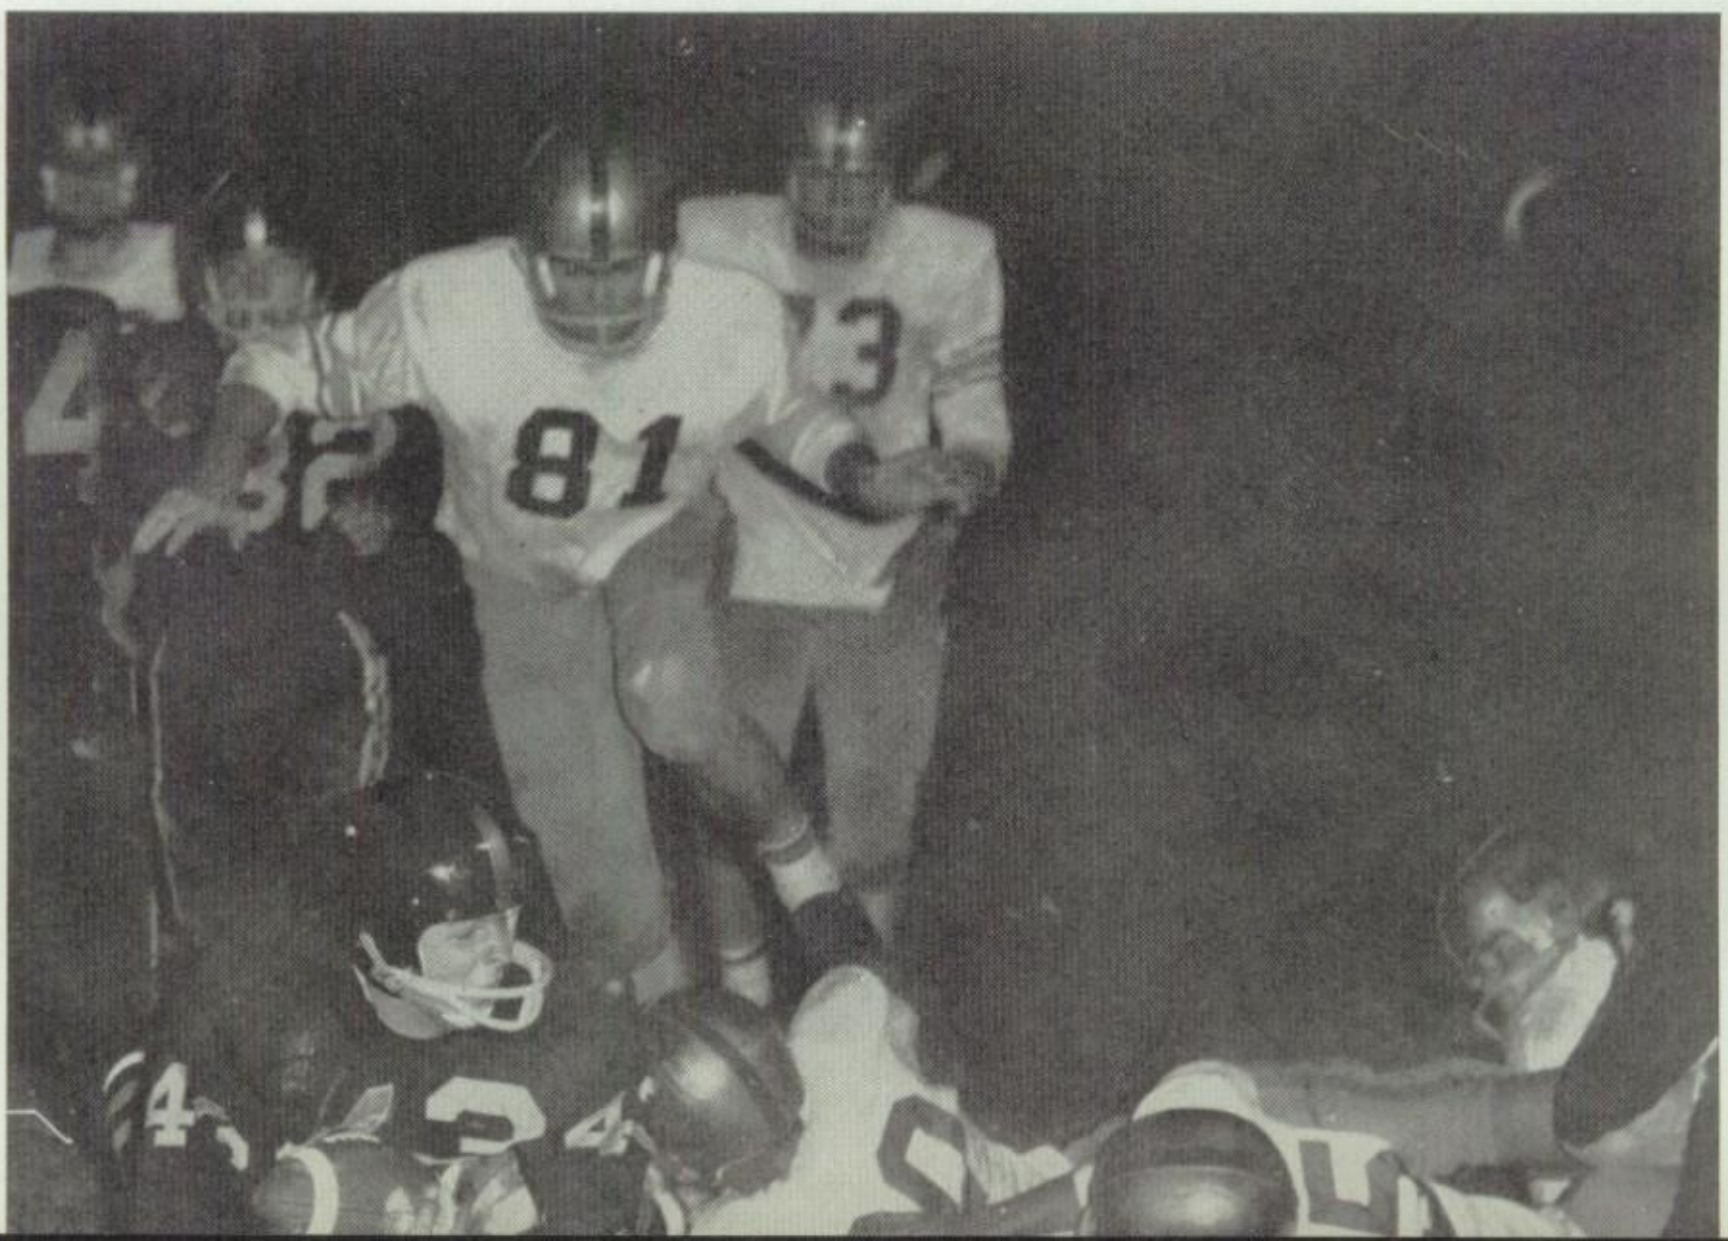

RONALD KILLEN
End

The undefeated Neville Tigers continued their winning ways with a hard-fought victory over the Tallulah Trojans. Neville scored once in the first quarter and then held off a hard-hitting Trojan team with a tough defense to chalk up win number 7. To cap an 89 yard drive near the end of the first quarter, Jimmy Howard scored from the one, after having one attempt called back because of an offside penalty. With four minutes left in the second quarter Mike Wilson scored on a beautiful 70 yard run to give the Tigers their 13-0 lead. The Trojans most serious threat ended on the one yard line as time ran out in the first half. Late in the final quarter the final drive by the Trojans stalled on the Tigers' 15. Although Neville was headed by the Trojans in the passing department, the Tigers left the club from Tallulah far behind in rushing yardage with a total of 248 to the opponents' 96. Neville also led in first downs 10 to 6.

NEVILLE 18 LAKE CHARLES 6

RALPH ROBERTS
Fullback

Practicing for the season closing game with cross-town rival Ouachita and a following chance at the Double A state title, the Tigers subdued the Lake Charles Wildcats in the homecoming tilt 18-6. The Tigers sent backs Ralph Roberts and Mike Wilson crashing into paydirt in the second and third quarter to roll up an 18-0 lead before the Lake Charles team could score. Lake Charles was clearly out of the game by virtue of the Tigers' ability to strike with lightning speed when the occasion demanded. There were three interceptions of Wildcat passes, and the Wildcats snared two of Neville's. The Tigers clearly had the best of everything.

NEVILLE 40 OUACHITA 6

MIKE HADDAD
Guard

The surging Neville Tigers used their usual potent offense and savage defense to race by an outmanned Lion club 40-6. Although Neville scored two quick touchdowns in the first half, total yardage in the first half showed only four yards difference. However, the tale was told in the second half when Neville came through with a pass defense to stop the Lions with only two pass completions. Bill Yerger intercepted three of the Lion passes. Jimmy Howard scored the first of a long list of touchdowns with an 89 yard run only to be followed a minute later by a 64 yard scamper by Don Brant, who scored three times. Touchdowns by Don Saget and Sam Walker, a safety, and extra points by Robert Charles Payne accounted for the remainder of the scoring for the Tigers. Neville made 12 first downs against 7 for the Lions and 210 yards rushing to 27 for their cross town rivals. A journey to Shreveport to meet Jesuit High School in a bi-district contest awaited the Tigers.

BI-DISTRICT CHAMPIONSHIP

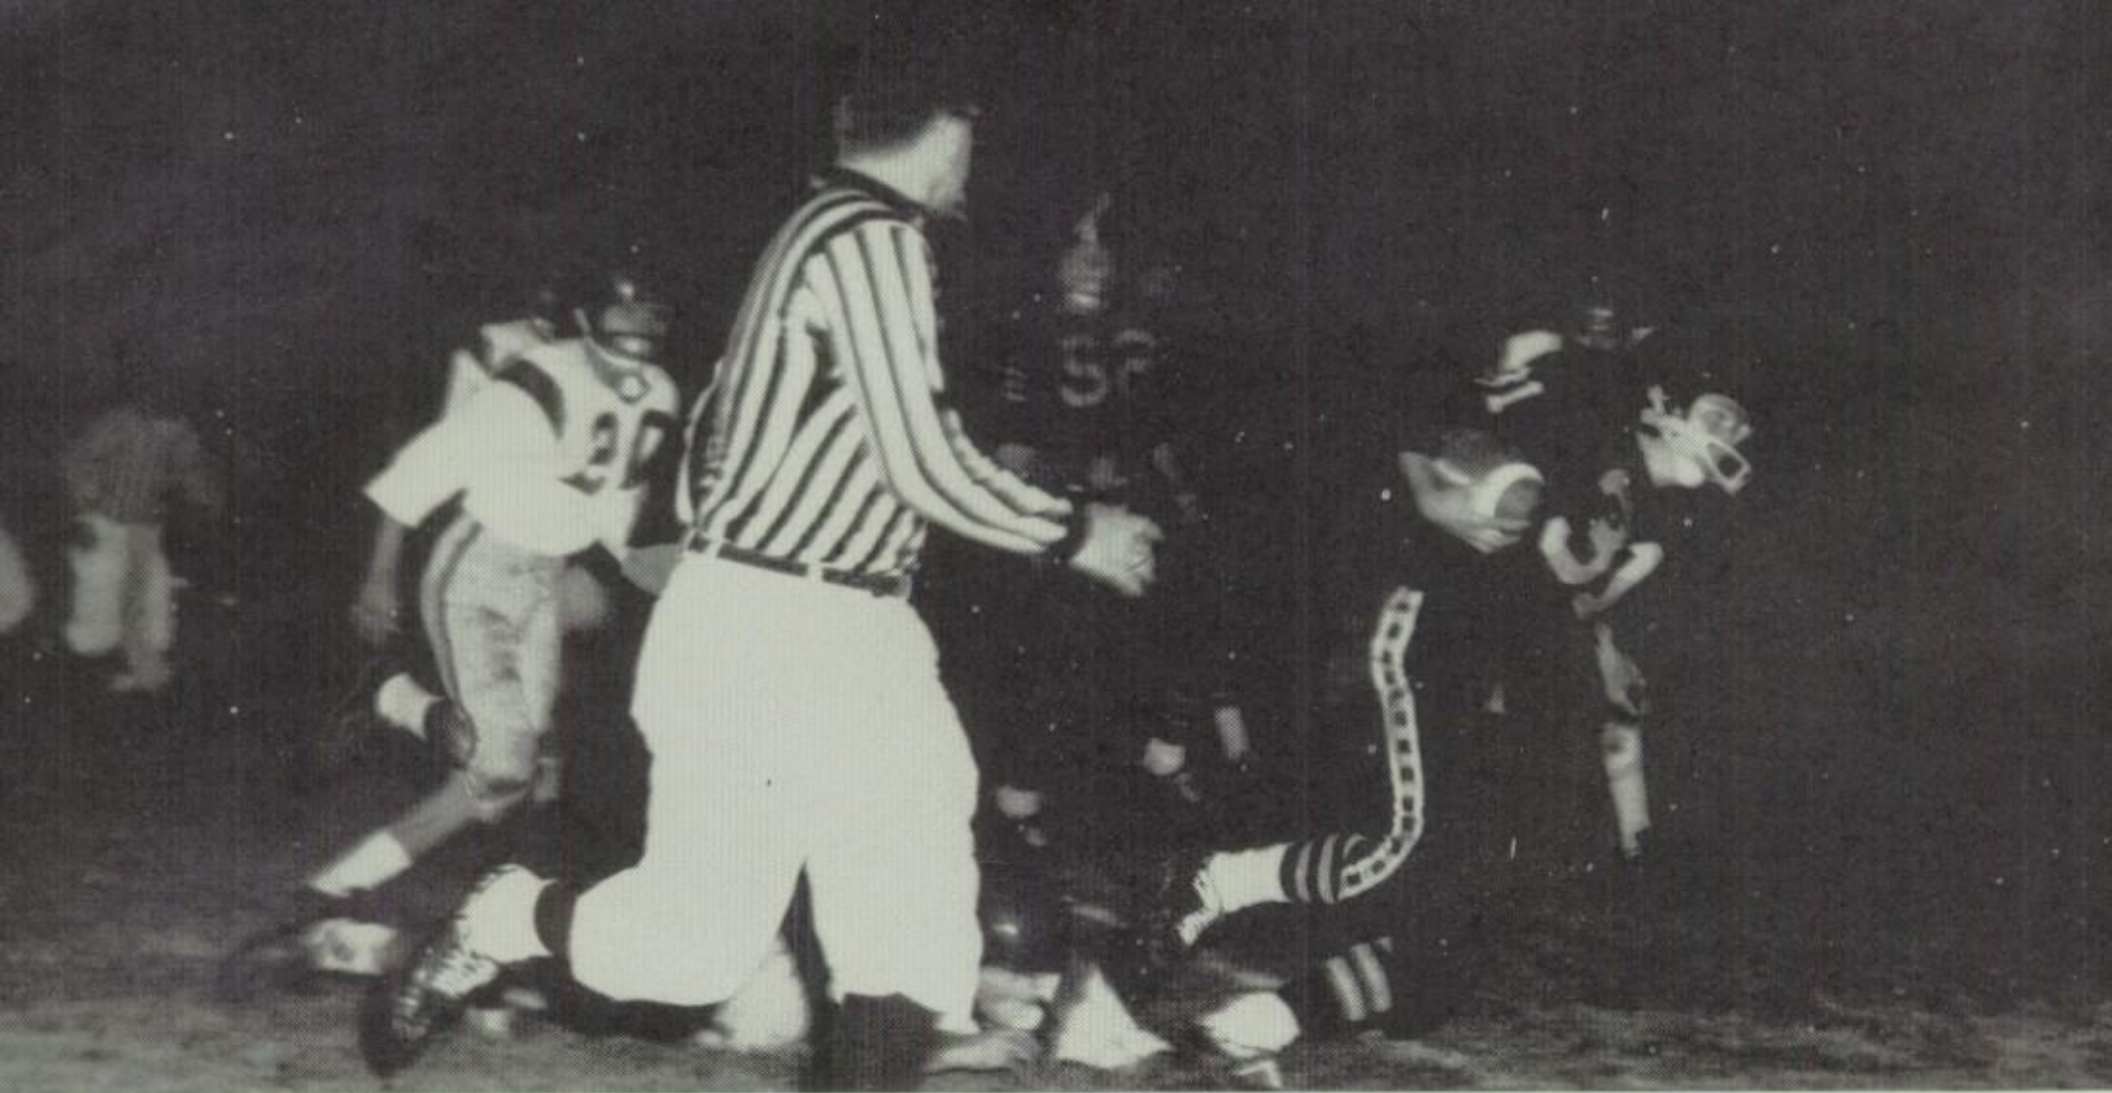

NICK WHITE
Guard

Before 8,000 fans Neville continued along the road to the state Double A title by defeating the Jesuit 'Blue Flyers' 32-12. The Tigers tied the game 6-6 in the kick-off following the Jesuit TD, then scored twice more in the second period for a 19-6 half-time lead. Before Jesuit could add its second touchdown, Neville pushed the score to 32-6. Halfback Mike Wilson tallied on runs of 88 and 60 yards. Jimmy Howard and Don Brant added two more. After the first Jesuit TD, the Tiger defense did not allow the Blue Flyers a first down, and until the fourth period, and then it came on a penalty. The entire line performed well both on offense and defense. Good showings came from tackles Bob Duncan and John Segars, ends Bunzy Bryant and Herschel Walker. Neville netted 10 first downs to 7 for Jesuit and 233 yards rushing to 109 for the Blue Flyers.

NEVILLE 14 JENNINGS 7

STATE AA SEMI-FINALS

PETE TERZOLAS
Guard

Neville struck with lightning swiftness for two first-quarter touchdowns, then held off the Jennings team to win a Class AA semi-final football game 14-7 before an over-flow crowd. After Don Brant returned the opening kick-off to the Jennings 34, the Tigers used eight plays to score. A 14 yard play by Jimmy Howard was the key to the drive, but Ralph Roberts scored the six points. When the Tigers again got the ball Jerry Jones made the touchdown, after Roberts made several beautiful runs to put the Tigers near the Jennings goal line. After Jennings crossed the Neville goal line, the scoring had ceased, but the thrills had only begun. Before it was over, almost the entire Neville team was to stand out on defense. Roberts was the Tigers' spark in the first half, for he made 47 yards in seven carries. However, Mike Wilson was the big gainer getting 106 yards in 16 carries. The Tigers fought, and again they won. All that remained to be conquered was Lee High School.

STATE AA CHAMPIONSHIP

BILLY LANGSTON
End

Left halfback Gary Pappas intercepted a Joe Mouch pass in the third quarter and raced 43 yards to score and give Neville the class AA championship on a 7-0 win over Lee High of Baton Rouge before 6,000 fans at Brown Stadium. The sophomore snagged the pass and tore down the right side of the field untouched to bring the hometown fans to their feet. Don Brant out maneuvered the Lee defense for the extra point. It was the Tigers' twelfth straight victory and the second undefeated Neville ball club in three years. In was a hard-fought battle all the way with a big group of Tigers standing out on defense and the Neville ground game working with efficiency despite the muddy field. The Tigers racked up 15 first downs to five for Lee and smashed out 195 yards. The Tiger defense held Lee to a total of 78 yards.

One of the greatest ambition of most Neville girls is to become a Tiger Cheerleader. Candidates practice in the Spring and appear before the student body in a sort of audition. The general student body votes on six girls to fill the bill. After the election, the Cheerleaders practice during the summer, often going to cheerleader camp. During the regular football season and during playoff games the cheerleaders make colorful posters and perform other spirited services for the teams. Miss Jane Whittington has sponsored the varsity cheerleaders since 1956.

NEVILLE HIGH SCHOOL WINS AA STATE

The 1961 Neville Baseball team left a memorable record at the end of its season when it won the state AA baseball crown. The outstanding pitching of Neal Gunn and Herschel Walker, a great team, and the ever-present Neville spirit brought seven out of nine victories over Minden, Menard, and Redemptorist.

The Penney Idea

*The J. C. Penney Company's policies and
purposes are the key to its growth*

- 1 To serve the public as nearly as we can to its entire satisfaction.
- 2 To expect for the services we render a fair remuneration, and not all the profit the traffic will bear.
- 3 To do all in our power to pack the customer's dollar full of value, quality and satisfaction.
- 4 To continue to train ourselves and our associates so that the service we give will be more and more intelligently performed.
- 5 Constantly to improve the human factor in our business.
- 6 To reward the men and women in our organization through participation in what the business produces.
- 7 To deal fairly with those from whom we buy our merchandise.
- 8 To test our every policy and method by this rule: "Does it square with what is just and right?"
